**Prayer Pointers:**

As God's greatly loved children, we pray during this week for:

- Impetus and stamina in Christ to follow Jesus every day in every way.
- Each of our home groups, as they care for one another and grow as disciples of Christ.
- Harmony among competitors and officials, and God's protection over everyone involved in and attending the Commonwealth Games in Birmingham, as they travel home.
- Our putting into practice each day the peace of Christ which passes all understanding.

**HELP WANTED**  **2pm musician required**  
 We seek a volunteer to play either the organ or the keyboard to accompany our hymn singing at the 2pm service about once a month. Please contact Shona or Rachel if you think this might be a possibility for you, or if you know of anyone who might like to take on this role.

 **It is time for reports for the AGM, preferably as a Word document emailed to [admin@mosgielchurch.org.nz](mailto:admin@mosgielchurch.org.nz)**  
 Thank you very much for the reports already sent in.  
**Only a few more to come please. . . .**

**SHOP 'n TAIERI** Not sure how we're in another month already—hello August!! We've had a few requests for vacuum cleaners if anyone can help? We accept electrical donations and every donation is very gratefully received. Towels, jewellery and books would make us do a happy dance right now!! Thank you all for supporting our shop, we appreciate you all.

**Sustaining Scripture:**

*"The Lord said to Moses, "Tell Aaron and his sons, 'This is how you are to bless the Israelites. Say to them:  
 "The Lord bless you and keep you;  
 the Lord make his face to shine on you  
 and be gracious to you;  
 the Lord turn his face toward you and give you peace."  
 Numbers 6: 22 - 26*

We are having some difficulties with the church phone system. If you phone 489 6890 or 489 6901 and get a message that this number is 'not available' or 'out of service' or ? please note the **exact date and time** and let Shona in the office know. 2degrees will check the phone logs for us to find out what is causing the problem.
