**Dear Supporters, Greetings!**  
 The new year has started quietly for the work in Malawi. It is the rainy season so more limited in what the STUM team can do. They have been concentrating on working with the four Lilongwe city STUM areas where three out of the four committees have not been functioning.  
 Team member Lovemore has been working on this with John to appoint leadership and reappoint new leadership at Namitete- see photo.  
 You may be wondering as to the stage we are at in getting the lesson books printed in India. We are close to having the first printing in March from India. It is economical for the two New Testament books to be produced as one book and the same for the OT. This should be helpful for the Teachers to have it this way.  
 We are excited to have our tickets booked to visit Malawi in June with our daughter Sarah and Son in law Josh. We will be there for the month of June. In July Diane, Sarah and Josh will return home and Jim will stay on in Malawi until September.  
 This will give Jim time to encourage, observe and work with the STUM team mainly in continuing the week long training of Sunday school teacher Trainers.

**Prayer- We appreciate your prayer:**  
 - For the preparation for the trip to Malawi.  
 - For this year's STUM programme of trainings.  
 - For the printing of the lesson books in India.  
 - For our ongoing support of the ABC clinic especially the twice monthly Epilepsy clinics.  
 - For regular rain in this rainy season before the harvest in April/ May.

Thanks again for your wonderful partnership in Financial and Prayer support.  
 In Christ's name.  
 Jim and Diane Young.
