let no sin rule over me.  
Redeem me from human oppression,  
that I may obey your precepts."*

*(Psalm 119: 133, 134)*

**2pm musician required**

As one of our 2pm musicians needs to retire from this role, we seek ideally two volunteers to play either the organ or the keyboard to accompany our hymn singing at the 2pm service about once a month. Please contact Shona or Rachel if you think this might be a possibility for you, or if you know of anyone who might like to take on this role

**It is time for reports for the AGM, preferably as a Word document emailed to admin@mosgielchurch.org.nz**  
Thank you very much for the reports already sent in.  
**Only a few more to come please. . . .**

**Prayer Pointers:**

**Before God's throne of grace, we pray for:**

- The work of Gideons International in our country and globally, as, inspired by the Holy Spirit, they spread God's Word of hope.
- The family and friends of Judith Bell, and her Idea Services housemates as they mourn her loss, following her dying on Sunday.
- Amy, our pastoral visitor, for the wisdom and power of the Holy Spirit to fill and inspire her as she encourages and comforts our people.
- Friends and family of the man who died as a result of an incident at Unity Park in Mornington recently.
- The huge amount of work awaiting so many people following our recent stormy weather with such a huge rainfall.

**SHOP 'n TAIERI**

The weather may be awful but the shops warm and the greetings even warmer! We have 2 amazing sales going on in store this week—all menswear is **HALF PRICE** and all ladies footwear is **\$5 or less**, long boots are just **\$2**. We have new stock going into the store on a daily basis and that includes the sale areas!

Is there something you need to talk to God about? Someone will pray with you confidentially in the prayer room at the back of the church following worship.

We are having some difficulties with the church phone system. If you phone 489 6890 and get a message that this number is 'not available' or 'out of service' or ? please note the **exact date and time** and let Shona in the office know. 2degrees will check the phone logs for us to find out what is causing the problem.

**Just a reminder...**
