Hello everyone!

I am excited to share that I've started working on the Whanau Fun program as the **Children and Families Ministry Coordinator**. Now, I'm eager to broaden our horizons by brainstorming ideas for a new weekly children's program.

To kick off this initiative, I am hosting a **meeting at the church** on the **13th of March**.

Our goals for this meeting are simple:

- Brainstorm ideas for a new children's program to get started.
- Discuss potential collaborative efforts to connect ET Church and Outram Church.
- Identify organized programs we can implement at the church to encourage families and children to visit us.
- Explore ways to strengthen our connections with Taieri College and surrounding schools (including Silverstream, Outram, Elm Grove, East Taieri School, etc.).

If you have a genuine interest or previous experience running children's programs or working with kids, I would greatly appreciate your attendance. Additionally, if you have ideas but are unable to attend, please feel free to reach out to me via email or phone (listed below).

Let's come together to make a positive difference in our community!

Blessings!
