Reminder - five simple tasks to help keep our church community safe

1. Sign in or scan every time
2. Sanitise hands often
3. Wear face coverings
4. Keep social distancing
5. Praise God for each other and for being able to meet together

Be always humble, gentle and patient. Show your love by being tolerant with each other. Ephesians 4:2 GNB

Prayer Pointers: God's Holy Spirit empowers us as we pray for:

- Those grieving for people who died and those who lost homes in the serious flooding in Sri Lanka and India during the week.
- Secondary and tertiary students sitting exams now and over the coming weeks, for the ability to concentrate, be calm and prioritise time for study.
- Teachers as they cope with many extra commitments near the end of a year, as well as fatigue and planning for next year.
- God's peace to prevail within those who are particularly stressed by Covid restrictions

Hospital visiting: If you know of someone who is in hospital please let Rachel and/or Amy know so a visit can be arranged.

Sustaining Scripture:

"For I am not ashamed of this good news about Christ. It is the power of god at work, saving everyone who believes - the Jew first and also the Gentile. This Good News tells us how God makes us right in his sight. This is accomplished from start to finish by faith/ As the Scriptures say, "It is through faith that a righteous person has life."

Romans 1: 16, 17
